## MARKETS

Limit Rights Reserved—Sales Tax Added to Taxable Items

OPEN 'TIL MIDNIGHT Every Night  
 2515 TORRANCE BLVD., TORRANCE  
 1516 PACIFIC COAST HWY., REDONDO BEACH

### OSCAR MAPLES OPENS SOUTH TORRANCE LOT

Opening of a new location at Pacific Coast Hwy. and Hawthorne Blvd. has been announced by Oscar Maples, Inc., as part of the firm's long range expansion program.

Firm President Vel Miletich stated that the step "was undertaken to enable our organization to serve a wider area of greater Torrance."

Miletich added that the facilities and stock of Oscar Maples would be expanded to meet the increasing demand for automobiles in this area.

All residents of the area are being invited to inspect the new location during opening festivities this week. A Ford convertible will be presented to some visitor as part of the celebration, Miletich said.

The downtown location for the pioneer Torrance Ford agency is at 1420 Cabrillo Ave.

### Harvey Co. Commended For Safety

Harvey Aluminum Co. of Torrance was recently awarded a letter of commendation by the Greater Los Angeles Chapter of the National Safety Council for having operated in excess of one million employ hours without a disabling injury to a plant worker.

In commenting on the award, J. T. Blalock, chapter president, stated that "tending significance to this achievement is the fact that it was accomplished during a period of major plant expansion."

### Flood Relief Help Needed

Trio Rebekah Lodge 240, Lomita, is collecting articles of clothing, furniture, bedding, linens, children's clothing, dishes, kitchen utensils, and any other articles that could be used for flood relief.

All articles should be brought to the home of the Noble

### Square Dance Set Feb. 18

"Honor your corners and partners all," at the Big Heart Jamboree, a benefit square dance for the Heart Fund, which will be held at Civic Auditorium on Feb. 18, from 8 to 11 p.m.

A donation of \$1.50 per couple will be collected at the door.

As an extra treat, live music will be furnished to accompany the patter of caller Gerry Reeser. Free refreshments will be served to those attending, and a drawing will be held for door prizes.

The host spot for this gala affair will be shared by the Corn Stompers, a local square dance club, and the Tuesday evening Adult Square Dance Class.

Both groups are sponsored by the Torrance Recreation Dept.

### Grand, Mary Smith, 25011

Frankton St., Harbor City. The California Motor Express of Los Angeles will pick up articles free of charge on Saturday, Feb. 4.

For further information call Mrs. Smith at Davenport 6-8851.

### NEW HOURS . . . . . NEW OWNERSHIP!

Le Roy Cleaners is now under the ownership of its former manager.

We shall produce the usual fine quality cleaning as you have had in the past!

The new hours are 7 a.m. to 7 p.m. Monday thru Friday  
 8 a.m. to 6 p.m. on Saturday!

**Le Roy Cleaners**  
 2060 W. CARSON ST.  
 Torrance FAirfax 8-7172

### CAP Cadet Cites Survival Camp

Knowledge gained by an unprecedented first hand look at the United States Air Force Survival School at Stead Air Force Base, Reno, Nev., was the means by which Civil Air Patrol Cadet Martin Hoxworth was able to reverse normal procedure and turn instructor at recent training classes for both senior and cadet members of South Bay Squadron 43.

"It's nourishing!" aptly describes the type of menus suggested in the pattern for survival in living off the land. If it flies, crawls, slithers, swims, or flies, the chances are you can eat it.

A lowly maggot may be nauseating, but it's nourishing! Boiling scum from a stagnant pool may not be your idea of a delicious stew, but it's nourishing! A poisonous snake may not be your idea of a buddy, but —!

MARTIN HOXWORTH  
 . . . At School

### Invaluable Ideas

In relating his recent experience, Cadet Sgt. Hoxworth told of the many invaluable ideas being used by the USAF to increase the chances of survival for downed pilots and crew members. In addition to lecture classes on sources of nourishment, valuable information on the care of the body and most profitable use of available equipment for shelter and survival, Sgt. Hoxworth learned about the Prisoner of War camp set up at the USAF Survival School for indoctrination of capture and escape techniques.

Named the "Outstanding Youth" of South Bay Squadron 43, Martin earned the honor of participating in the first of special awards designed to add incentive to the Civil Air Patrol Cadet Program. Cadets following the CAP aviation study and achieving the valued Certificate of Proficiency will compete for the opportunity of select trips to Air Force Bases and Schools that would not ordinarily be possible. Such rewards will be in addition to the "Big Three" of the Civil Air Patrol Cadet Program: the Summer Encampment—an opportunity to live on Air Force Bases; the Drill Competition—the opportunity to compete state and nationwide; and the yearly Foreign Exchange—an opportunity for both male and female cadets to visit other countries.

San Pedro Boy  
 Martin is the son of the Robert Hoxworths of San Pedro, who are also actively engaged in the CAP.

Participation in the CAP Cadet Program is available to both male and female, 15 years of age or over.

The local cadet unit of South Bay Squadron 43 meets each Monday night from 7 to 9 p.m. Additional information can be obtained by calling the Squadron Commander, Captain Robert Pinkney, FRontier 5-2785 or the Cadet Commander, 2nd Lt. Roberta Hoxworth, TReminal 2-1306.

Size Compared  
 Tunisia is about the same area as New York State.

### Park Plans 'Friendship Festival'

A "Festival of Friendship" will be presented at Alondra County Park on Feb. 24 and 26 according to Mrs. Grace Beatty, recreation director.

The festival will be patterned after the Friendship Festival which has been held for the past eight years in East Los Angeles.

A queen and her court will be chosen Friday evening, Feb. 24, at 7 p.m., and they will be presented to the public on Sunday, Feb. 26.

The Sunday program will begin at 2 p.m. and will offer entertainment by choral groups, dancers, and singers with emphasis on the international flavor.

Local clubs and organizations are urged to enter a queen in the contest. For information call Mrs. Beatty at DAVIS 4-8674.

### Chamber to Name Five Directors

Committees to recommend five directors at large from the area of Torrance were announced at the recent Chamber of Commerce board meeting by President John A. Ebbinghouse.

Recommendations from the committees will be made at the next board meeting Monday, Feb. 13, and the new directors will be presented at the annual banquet to be held Feb. 28.

Committee members and the area they represent are:

R. S. Pyle and King Williams, North Torrance; Paul Diamond and Dr. Gerald M. Eastham, WALTERIA; Fred W. Mill and Donald Armstrong, Kettler Knolls; Paul D. Loranger and Darwin D. Parrish, Seaside Ranchos; Dean L. Sears and J. H. Paget, Hollywood Riviera.

### NEW TAPS CLASS TO START FEB. 8

Newest class for TAP's, Torrance Auxiliary Police, has been set for Feb. 8, at 7:30 p.m. in the City Council Chambers, a police department spokesman said this week.

All teen agers, between 12 and 16 years, are eligible to join the group. Applications must be filed by Feb. 8 for the new class.

TAP's applications may be picked up at the Torrance Police Department at any time.

Home loans for buying, building or refinancing, completed fast and on terms you can afford.

### THEY'LL BE SAFER

in a '56 FORD with LIFEGUARD DESIGN

Lifeguard Design is the first comprehensive contribution to driver and passenger safety in case of accident.

Two years ago, Ford set out to determine the causes of car-accident injuries . . . so a safer car could be built. Hundreds of actual car-to-car "accidents" were staged and the results were minutely recorded by high-speed motion picture cameras and modern electronic devices. During this time, Ford engineers also consulted pioneers in the field of crash injuries at universities, medical colleges and state police headquarters.

This research showed that over half of the serious car-accident injuries came from occupants of cars being thrown against the steering post, against hard interior surfaces, or being thrown out of the car.

To guard you and your family against these major hazards, Ford developed Lifeguard Design. It's a whole new family of safety features including: Lifeguard deep-center steering wheel—Lifeguard double-grip door locks—Lifeguard rear-view mirror—optional Lifeguard padding for instrument panel and sun visors and optional Ford seat belts.
